OPA Lifts Ceiling on Coffee; Control Over Wages May Go

Vegetable Fats, Salad Dressings Freed in Decontrol Drive

Washington, Oct. 17—(AP)—OPA today removed price lids from coffee as it speeded up the decontrol drive.

The price agency said it has approved a decontrol petition on both green and roasted coffee at all levels of distribution.

As the White House prepared to hasten the scrapping of wage controls along with food price ceilings, OPA freed all vegetable fats and oils—margarine, mayonnaise and salad dressings—from federal restraints.

The agency said it agreed to lift its price ceilings on coffee because "data presented by the industry and obtaind by OPA' 'indicated that "supply and demand were approximately in balance".

The action represented the first formal approval of a petition for removal of ceilings on requests of one of OPA's industrial advisory committees.

The petitioned was the coffee industry advisory committee.

Must Act Quickly

OPA must act on such petitions within 15 days and it pointed out that today's action came 10 days after the decontrol petition was accepted.

Eeven as the pace quickened, UNRRA director Fiorello H. LaGuardia denounced the decision which led to the speed-up—removal of meat controls—and declared the new policy will result in "industrial confusion, financial dislocation, social disturbance and political dictatorship".

As LaGuardia spoke, in Oklahoma City, a high government official here predicted that "in a day or so" President Truman will clarify the status of the Wage Stabilization Board.

This is the tri-way—public, industry, labor—panel whose industry members recently submitted resignations to Truman. Some labor and business leaders have demanded that it be abolished.

While forecasting a quick decision on the board, officials said the stage already is set for "accelerated" scrapping of wage controls. Hence they expressed doubt that the president will consider it necessary to take any further action on this right away.

Wage Curbs

One official in close touch with the White House discussions told a reporter that faster scrapping of wage curbs "will be automatic" as price lids drop off, since only industries under ceilings are tied at present to pay controls.

He added that OPA is "really going to roll" in getting rid of price ceilings, and that this in turn will free wages in most industries very soon.

In some fields—construction, for example—prices will remain under control for some time. Hence, wages will too.

As for the wage board, AFL and CIO members of the panel con-

Nuernberg Mixup Traced to Board

Berlin, Oct. 17—(AP)—Editorials in the British press which blamed U. S. authorities for delay in announcement of the Nuernberg executions and Hermann Goering's suicide drew a sharp rejoinder today from American military government public relations officers.

They said arrangements for carrying out the executions and news coverage of the hangings was a four-power responsibility executed by a quadripartite commission appointed by the allied control council.

They added that charges that a "gag" was imposed upon the press "comes with ill grace from the British, because their representative in the control council, along with the French representative, wanted to restrict press and picture coverage of the executions to a minimum".

(British newspapers complained last night that the handling of the news about Goering's suicide and the hangings had been "bungled" and the London Daily Mail, in apparent reference to an unofficial report by Dana—American controlled German news agency—that Goering had been hanged with the other 10, charged that "the world's press and the German people were completely deceived by an official American announcement x x x".

(A Daily Express correspondent termed he long delay in announcing Goering's suicide—almost eight hours—the "worst hush-hush ban yet".)

An American officer who attends control council sessions said the American representative, Gen. Joseph T. McNarney, had led the fight to give the world press access to the executions and that in this effort he had the support of the Russians.

Goering's Suicide Thought Caused by Reporters' Visit

By KINGSBURY SMITH
(Representing the combined American press.)

Nuernberg, Oct. 17—(AP) —A visit by eight allied correspondents to death row in the condemned block of Nuernberg jail late Tuesday night may have prompted ex-Reichsmarshal Hermann Goering to take the poison which enabled him to cheat the gallows of allied justice.

As one of those eight correspondents, I believe that the commotion caused by our visit may have served to tip off Goering and the other condemned men that the hour of their doom was about to strike.

As the correspondents, escorted by several security officers, shuffled through the narrow corridor, peeking into the small iron-barred portholes of each of the condemned men's cells, it naturally caused a stir.

All Cells Guarded

At the front of each cell stood a G. I. guard whose duty it was to keep a constant watch on the man inside the cell. I noticed at the time that some of the guards turned around to see what the commotion was about as we entered and started to move along the corridor.

With most of the correspondents, including the writer, stopping to glance over the shoulder of the guards into the condemned cells, it was only human for some of the GI's to turn their heads momentarily to see what was going on.

It is possible that in the moment, or moments, the GI guarding Goering's cell turned his head and the crown prince of Nazidom managed to slip into his mouth the vial containing the syamde of potassium.

Saw Goering

It was just a few moments before when I had pecked over the guard's shoulder into Goering's cell. Lying stretched out full length on a small iron cot was the bulky figure of the man the allied governments were most eager to have lead the parade of death to the gallows.

Goering had gone to bed, although the lights of his cell and in the prison block were not yet dimmed. His body was covered by an ordinary khaki U. S. Army blanket. One blush pajama-clad arm was outstretched, the other was folded over his chest with the fist closed.

He was lying absolutely motion-

Livestock Markets of Nation Flooded With Cattle, Swine

Producers Rush to Sell During Peak Period on Meat Prices

Chicago, Oct. 17—(AP)—Livestock terminals throughout the nation were flooded with brawling hordes of cattle, hogs, and sheep today, as producers commandeered every available truck to move their animals in for record-breaking prices.

Buyers were unable to absorb all comers however, and prices slumped from $1.00 to $7.00 a hundred pounds on most qualities.

Only strictly choice cattle continued on to new record-breaking heights. At Chicago odd head steers brought $37.50, compared with the record yesterday set at $35.25, the previous record was set Aug. 30 at $30 25, and the OPA price ceiling was $20.25. The practical steer top was $35.00 today, and lower grade cattle dropped off from $1.00 to $4.00.

New Cattle Record

Omaha, Neb., set a new cattle record for the third successive day at $33.00, up $2.00 from yesterday's best.

Hog prices took a beating, however, under pressure of the heaviest numbers since last January when a packinghouse workers strike was in the offing. An early top price of $23.00 at Chicago lasted only a short time, and values sagged to a $22.00 top with $20.00 the popular price. Some grades were off $7.00, good and choice barrows and gilts were averaging $5.00 down, and similar quality sows averaged $6.00 lower.

Other markets showed a similar trend.

At Sioux City, Ia., hogs were $3.25 to $4.25 a hundredweight lower with a top price established at $22 00. The St. Louis, Mo., market reported some grades of hogs down $8.00 and $10.00. Sows, barrows, and gilts at St. Paul, Minn., were down $6 50.

Elifson Denies He Assaulted Fordyce

Wallace Elifson, operator of a tavern at 83 Galena avenue, testifying in his own behalf this morning in Circuit court in the $20,000 damage suit brought against him by Riley Fordyce, 906 Woodlawn avenue, denied that he struck Fordyce during an altercation in the tavern the night of June 28.

In his suit, Fordyce charges that Elifson assaulted him and beat him, causing two bone fractures and injuring him in other manners.

Elifson told the court this morning that Fordyce was apparently intoxicatde and when he appeared in the tavern and sought a drink. The defendant said that when he refused to serve Fordyce and attempted to lead him to the door, he became abusive and struck him.

He said he picked Fordyce up in his arms after the latter struck him and started for the rear of the tavern. Fordyce, he testified, continued struggling in his grasp and he dropped him on the floor.

His testimony contended that Fordyce arose and was led to the back of the building, from where police were called.

Mrs Elifson, who witnessed the struggle, told the court that Fordyce walked from the tavern with police when they arrived.

Elifson's testimony opened the second day of the trial in Circuit court. The case was expected to go to the jury later this afternoon.

Thieves Take Jewels of Duchess of Windsor on Visit to England

London Oct 17.—(AP)—Scotland Yard loosed its most brilliant crime hunters today on a burglar who crept expertly into the Georgian manor of the Earl of Dudley and stole a "considerable amount" of the Duchess of Windsor's $1,000,000 collection of jewelry.

The worried Duke, one time monarch who forsook the British throne ten years ago to wed the American-born divorcee, left any statement to be made to the detectives, who remained—as usual in a major case—as mum as the mansion's gateposts.

The only estimate of the amount of the robbery was "some thousands of pounds," made by the British Press association.

The Press association said persons at Dudley's Ednam lodge put the loss at "under 25,000 pounds" ($100,000) and said it was covered by insurance.

The Duchess' collection of jewelry has included a diamond-studded platinum tiara, a gift from the Duke which she wore on her wedding day, and sets of blue saphires, diamonds, rubies, emeralds, and other gmes.

The theft threw Scotland Yard's reputation on the block, for the thief dodged observation of special branch men stationed on round-the-clock guard at Dudley's Ednam lodge since the ex-king and his wife moved into it last weekend.

The tile-roofed brick mansion was lent the Duke and Duchess by the Earl, who owns a plushy west-end apartment and two country homes. The host, banker and international industrialist, was a precoronation associate of the former king.

London newspapers advanced two theories. One was that the burglar climbed into the Duchess second floor room by catlike ascent of a drain pipe and the traditional ivy on the wall.

The other was that he just walked through the unlocked door.

They speculated that he entered the guarded grounds by creeping through a 15-foot box hedge under cover of darkness which, in October descends on Britain by 5 p. m.

The theft, discovered by the Duchess late last night, could have occurred before the Duke returned from a call on his brother, King George, at Buckingham Palace, yesterday.

Taft Has Answer to Truman Blast in Decatur Talk

Decatur, Ill., Oct. 17—(AP) —Senator Taft (R-Ohio) carried his campaign for Republican congressional candidates into southern Illinois today after labelling President Truman "the man responsible" for the OPA—less two months last summer.

Taft is speaking at a Republican rally tonight in Carbondale.

Addressing a GOP meeting here last night, Taft declared Mr. Truman "has finally adopted the policy of decontrolling meat which the Republicans adopted last April."

"The president complains," he continued "that the present situation was brought about by removal of controls for two months but he was the man responsible for such removal x x x."

Truman's Own Bill?

Mr. Truman on Monday said he vetoed an OPA continuation bill passed by congress shortly before the price control law expired June 30 "mainly because of the Taft and Wherry profiteering amendments."

Not commenting directly on the president's charge, Taft said his amendment only "required the price administrator to allow manufacturers and distributors to increase their prices in the same amount as the increase in the costs of wages and materials over prewar."

At Chicago, Senator Wherry (R-Neb) said that what the president called "the Wherry amendment" was "in reality x x x Truman's own amendment."

He's Angry at GOP

"The one finally adopted had the blessings of Paul Porter (OPA Administrator) and the OPA and Truman himself. In reality it's Truman's own amendment," Wherry asserted.

Taft continued the president "is terribly angry at the Republicans for being right and he is only right now because he has been forced to yield an an overwhelming public opinion and Democratic politics.

"Only a Republican congress will cure shortages by returning to a free economy."

He lauded Rep. Rolla McMillen (R-Ill) candidate for re-election from the 19th district, as having made "an outstanding record" during his first term in congress. Taft also urged the election of William G. Stratton as congressman at large.

U. S. Forces Stream Ashore at Sagami Bay

Chigasaki, Japan, Oct. 17.—(AP)—The U. S. army, navy and air corps combined today to send 1,000 troops streaming ashore on this Sagami bay beach—only 30 miles from Tokyo—that would have been the scene of an amphibious landing last May if Japan had not surrendered earlier.

Police Take Doctor's Babies

Former Owners May Buy Back Ordnance Plant Farm Ground

Thirty-Five Former Owners and Tenants Bid for Surplus Land

Offers totaling $215,400 for 3439.74 acres of surplus agricultural lands at Green River Ordnance plant, Dixon, were received from thirty-one former owners and four tenants in exercise of their priority rights, by October 9, the end of a 90-day priority sale period, according to Elmer Barnes, project manager in charge of the sale.

Mr. Barnes represents the Federal Land bank of St. Louis, one of the units of the Farm Credit Administration which has been designated the disposal agent by the War Assets Administration to sell surplus agricultural and forest lands.

The price offered for these lands, according to Project Manager Barnes, takes into account removal of farm buildings, fences and other improvements, as well as other damage caused by action of the government. The priority price to former owners and tenants, as provided by the Surplus Property Act of 1944, is the current market value of the farm or its cost of acquisition less damage caused by action of the government, which ever is lower.

These lands, being close to the plant, were heavily damaged, and, if all offers are accepted, will bring an average of $62 62 per acre. Price paid by the government in 1942 for these tracts is reported to be $400,699 or $116.49 per acre.

Child Neglect Case Continued by Court

Chicago, Oct. 17—(AP)—Commenting that "there's an awful lot of mystery about this case", Judge Joseph B. Hermes of Domestic Relations court continued yesterday until Oct. 31 the hearing of Dr. Russell Winters, 45-year-old physician, and his wife, both charged with contributing to th dependency of minors.

Meanwhile, the court ordered psychiatric examinations for the physician and his 33-year-old wife, Catherine, after Dr. Winters testified that the five small children taken from his home on charges of neglect were adopted.

Policewoman May Reed said that when she and another officer went to the Winters home in response to an anonymous letter she found he children alone "The home was pathetic", she added, "conditions were terrible and the children have been grossly neglected"

The physician did not reply to a question from the court about where he obtained the children, but answered "no", when asked "are you running a baby farm"?

Dr. David B. Rotman, Municipal court phychiatrist, said the couple told him that the eldest child, Gloria Rose, 4, was adopted through the Catholic charities at Fort Wayne, Ind., and that a Chicago woman doctor gave them the other four, who range in age from seven months to two and one-half years.

Byrnes Returns to US to Tell Nation of Peace Progress

Washington, Oct. 17—(AP) — Secretary of State Byrnes returned today from the Paris peace conference and received President Trumans congratulations for doing a "most excellent job" at the 21-nation conclave.

Byrnes reported to Truman immediately after arriving home. The 50-minute conference was the first meeting of the nation's top foreign policy makers since Henry Wallace was ousted from the cabinet for criticizing Byrnes' handling of relations with Russia.

Although the state department chief told reporters he could say nothing about his conversations at the White House, presidential press secretary Charles G. Ross reported that Truman had congratulated Byrnes on his work.

Gave Complete Report

Ross said the secretary gave Truman a "complete report" on the peace conference.

Byrnes hurried from the White House to his office to begin drafting a radio report to the nation to-

Vandals Smash 18 Windows in School

Receipt of reports that 18 windows were broken in the District No. 87 schoolhouse four miles southeast of Franklin Grove Tuesday and that two board gates were smashed on the Bill Engelbrecht farm a mile east of Franklin Grove the same date today caused the sheriff's office to issue a warning against vandalism here.

Harold Hopkins has also reported that a steel gate is missing from his farm and a wooden gate was found across the road from his property one mile south of the Burkett school, east of the airport.

Sheriff L. E. Bates yesterday afternoon recovered four tires and wheels from beneath a bridge near West Brooklyn. Investigations in each of the cases are continuing.

8 Sailors Among Victims of Crash Early This Morn

Laramie, Wyo., Oct. 17.—(AP) —A chartered eastbound passenger plane crashed today, killing all 10 passengers and the crew of three during a heavy snowstorm on the level plains three miles west of Laramie.

The plane, identified by a Civil Aeronautics Administration spokesman as a two-engine craft operated by the NATS air transport service, was en route from Oakland, Calif., to Chicago, and was to have stopped at Cheyenne for refueling and a change of crew, the CAA said. No stop was scheduled here.

Acting Coroner E. L. Knight of Albany county said the twin engined craft was demolished when it plummeted to earth on a level field just north of the airport about 2 a. m. (CST). Bodies and wreckage were strewn over an area of 300 square yards.

11 Passengers

Knight said there were eight men and three women aboard in addition to the pilot and co-pilot. He said he was not certain but believed one of the women was a stewardess.

Knight and county sheriff's officers and police searched the area and wreckage with flashlights and removed 11 bodies. Two of the victims died later in the Laramie hospital.

Knight said eight of the passengers were sailors.

At Cheyenne, Capt U. H. Honsinger and co-Pilot John Urnezis, both of Chicago, were waiting to take the ill-fated plane from Cheyenne to Chicago.

Captain Honsinger said the air service has been flying three trips a week each way between Newark, N. J., and Oakland.

Oakland, Calif., Oct. 17.—(AP) —NATS air transport service, whose Chicago-bound plane crashed today at Laramie, Wyo., is a post-war commercial air line operating out of Oakland on a non-schedule basis. It uses a fleet of two-engine DC-3's.

It was originally formed by a group of former navy pilots flying navy air transport service planes —and from which it took part of its name. It is one of two outfits operated by former service men out of Oakland, the other being Continental Sky Van, Inc., run for former army pilots. Both operate non-scheduled and charter freight and passenger flights. NATS is not to be confused with the navy's transport system.

Santa Will Grunt Under Load on Christmas, Say Toy Manufacturers

Chicago, Oct. 17.—(AP)—Santa Claus is going to carry a bigger pack of toys for distribution to the nation's children this Christmas—his heaviest load since 1941—say toy manufacturers.

And many of the toys that were not available during wartime and last Christmas, such as electric trains, skates, construction sets, bicycles and metal wagons, will be in his big sack. But, toy makers at the merchandise mart said, these articles which vanish during wartime will be back in very limited quantities.

"It will be first come, first served," the manufacturers said, a fair warning to papa that if he wants to play Santa Claus he'd better do his Christmas shopping early.

Mail order houses also came up with cheerful news. Sears, Roebuck and Company is distributing its Christmas catalogue with the largest number of pages devoted to toys since 1941. So is Montgomery Ward and Company.

Some changes in types of toys were noted by manufacturers. Cannons, guns and tanks, popular during the war period, are disappearing from the market. Jeep models are holding their own. And the war has left toy makers with various "electronic" devices.

Here are some of the newest items:

A model train with automatic whistle, electronic action, and odorless smoke that comes from the engine's stack in realistic puffs.

An all-steel 2-in-1 "skoot bar," which combines the features of a wagon and a skooter. It will cost about $11.95 at retail.

One mail order house is offering an electric kitchen range that cooks and bakes at $5.95. It has a metal toy cooker, deep frying pan, stew pan and "two fully enclosed, insulated, safety heating units."

Back again, also, will be the "magic-skin" dolls—a doll whose skin "feels and wrinkles like a real baby's," which can be bathed and powdered.

And baby can have a rattle with chimes inside.

Cremate Bodies of Nazi Chiefs; Ashes Scattered to Wind

Dispersion of Remains Secret; Probe Poison Death of Goering

Nuernberg, Oct. 17—(AP)—The bodies of Hermann Goering and the 10 hanged nazi war criminals have been cremated and the ashes "dispersed secretly," it was announced today.

The announcement of the disposition of the bodies was made at 5:35 p. m. by Col. B. C. Andrus prison commandant.

He spoke in the name of the allied control council, which was in charge of all details of the hangings and burial.

A six-line communique cleared up the major mystery in the wake of the hangings. The bodies were removed from the prison at 5:34 a. m. Wednesday (10:34 Tuesday, CST) in two sealed trucks, guarded by jeeps.

Where cremation took place was not disclosed. The dispersal details were wrapped in equal secrecy.

Keitel Planned Suicide

Prison authorities disclosed that Field Marshal Wilhelm Keitel had planned, like Goering, to evade the gallows with suicide, but was foiled by a watchful guard.

Sources inside Nuernberg jail said today that 12 German employes were under constant scrutiny in connection with a three-man army board's closely veiled investigation of how, where and when Hermann Goering got the cyanide with which he beat the hangman by two hours Tuesday night.

These sources, unidentifiable by name, said the Germans were not under arrest but described them as being "protectively held" until there is completely cleared of all possible complicity in the eleventh-hour suicide by which Goering managed to precede his 10 doomed colleagues in death.

The secrecy surrounding the burial place of the one-time No. 2 nazi and the 10 who died by the noose yesterday morning re-

GOP Gaining on Michigan Demos

Lansing, Mich., Oct. 17—(AP)—Michigan Republicans, scenting victory in at least two congressional districts held by Democrats, say they believe the 1946 election may give them their largest congressional representation since the Roosevelt heyday.

The G. O. P. leadership forecasts victory in the 12th district against Rep. Frank E. Hook, Ironwood Democrat, who won in 1914 by only 800 votes, and in the 13th district against Rep. George D. O'Brien, three-time winner from Detroit.

David M. Martin, the Democratic state chairman, concedes that "Hook has a fight on his hands this year" but asserts that if the forces which elected him in the past cooperate the candidate can win again.

The Republicans cracked the Democratic stronghold in Wayne county (Detroit) in local elections in the spring of 1945 for the first time since the Roosevelt landslide. The county includes the 1st, 13th, 14th, 15th, 16th and part of the 17th districts.

Now the Republicans are fired by the apparent vote-getting appeal of Kim Sigler, graft-busting former special grand jury prosecutor, in his race for governor.

Hook's opponent is John B. Bennett of Ontonagon. He beat Hook for the position in 1942 but lost to him in three other contests, never by more than two per cent of the votes cast in the west end of the state's upper peninsula.

Navy Pier Students to Receive New Service

Chicago, Oct, 17—(AP)—Bus and street car officials have promised additional transportation for the 4,000 students attending the University of Illinois' Navy Pier branch in Chicago.

Regional Educators Conference to Open Meeting Wednesday

Two Day Meeting Slated For Loveland Building Next Week

William M. Gilbert, acting director, Student Personnel Bureau, University of Illinois, will give the opening address when a regional conference for educators opens Wednesday evening at Dixon.

Sponsored by the University Office of High School Visitor, the meetings will be continued through Thursday, Oct. 24, with all sessions being held in the Loveland Community House.

"Helping Students Solve Their Problems" is the subject on which Gilbert will speak following a dinner at 6 p. m. for boards of education members and administrators. Chairman will be Harld D. Trimble, assistant high school visitor. R. M. Robertson, Whiteside county superintendent of schools, will preside during a discussion session from 8 to 10 p. m., when the topic will be "Needed Immigration of Elementary and Secondary School Education in Dual Systems of Administration."

Discuss Improvements

Discussion leaders will be: Robert M. Cole, executive secretary, Illinois Association of School Boards, Springfield; John A. Torrens, Lee county superintendent of schools; John K. Cox, director Rural School Relations, Illinois Agricultural Association; and, from the University, Amir Boktor, exchange professor, American University, Cairo, Egypt; Prof. Arthur W. Clevenger and Associate Professor Lowell B. Fisher of the University of Illinois.

In a session for teachers Tuesday morning, the discussion topic will be "The Improvement of Instruction". Members who will take part in the panel will be: Mrs. Frances Ferrell, John Marshall high school, Chicago; Miss Eona DeVere, of Steuben high school, Chicago; Professor Boktor; Miss Esther Williams, Oakwood Township high school, Muncie; and J. Thomas Hastings, director, high school testing bureau, and University Examiner, University of Illinois.

"The Principal as an Educational Leader and Co-Worker with Teachers in Improving the Educational Program" has been announced as the Thursday morning topic for administrators. Leaders named for this discussion are: E. S. Simonds, superintendent of schools, Morrison; Roscoe Eades, principal, Sterling Township high school; and W. L. Pickering, superintendent of schools in Ogle county.

Plan Local Discussion

In a combined session for administrators and teachers Thursday afternoon, Floyd French, superintendent of schools in Bureau county will preside while a discussion is held on "Selected Problems of Secondary Schools in the Dixon Regional Area."

Panel members selected are: Torrens; O. W. Funkhouser, principal, Amboy Township high school; Paul E. Vaupel, principal, Ashton Community high school; C. A. Hills, principal, Rochelle Township high school; and Cecil A. Sharpe, principal, Hall Township high school, Spring Valley.

Members of the conference planning committee are: Allen H. Lancaster, superintendent of schools, Dixon; J. K. Batchelder, board of education, Dixon; Torrens, Pickering, Robertson, Funkhouser, Clevenger, Trimble, and Fisher.

Attempts to "Spring" "Terrible Touhy" Made

Chicago, Oct. 17—(AP)—An attempt is being made to obtain the release of Roger "the Terrible" Touhy from Stateville penitentiary, where he is serving a 99-year sentnece for the kidnaping of John "Jake the Barber" Factor.

A petition contending Touhy was convicted on perjured testimony was filed yesterday before Chief Justice Harold G. Ward of the criminal court.

The petition contended that although Factor testified that Touhy was responsible for the kidnaping, Factor actually never was able to identify his abductor.

The action was instituted by Attorney Charles P. Megan. The hearing was continued until Oct. 24. Touhy was convicted Feb. 24, 1934. In 1942 he escaped from Stateville, but was recaptured in Chicago.

Hollywood

BY BOB THOMAS

Hollywood—(AP)—Although it has never been adequately explained why, the show must go on, and Charles Laughton is the latest to uphold this mossy theatrical tradition.

Last week Laughton was in New York preparing a play about Galilea when he received a call to come so Hollywood. He was asked to play Haake in "Arch of Triumph," replacing Michael Chekhov who became ill. The English actor accepted and flew to the golden state, studying the script en route.

This week Laughton was before the cameras and not complaining about the damp and drafty stage, despite a severe cold. Nor did he balk at his role, his first portrayal as a German.

"I am having just a little difficulty with the part," he explained, "but I'll hit it. I usually develop a character by finding the walk first. See—"

He demoistrated his stride as Captain Bligh, an act which has been immortalized by night club imitators the country over. "Sailors alwaws walk as though they expect the ground to come up and meet them," Charlie explained.

Then he stopped and tried out a Nazi walk. "Those military—," he said, "always walk as though they were wearing high boots." He strutted around some more. "This is it," he declared.

He went back on the set. Though he wore no makeup or uniform, there was no doubt about it—he WAS a Nazi colonel.

Epsom salt crystals are used by some producers for making blizzard scenes in the movies.

First High School PTA Meeting Draws Large Attendance

Over 200 parents and teachers attended the first meeting of the Dixon high school Parent-Teachers association which was held in the school cafeteria Wednesday evening.

Following the supper, Miss Imona Welker, chorus teacher, presented a student choral group which sang five songs.

Mrs. Philip Hopkins, president of the P.T.A. then introduced her associate officers, Mrs. George Smith, Mrs. Eugene Barrowman, Miss Alice Richardson, Mrs. Philip Reilly, and Mrs. Frank Hoyle. Mrs. Hopkins then introduced the class mothers, Mrs. C. C. Clausen, Mrs. H. E. Metzler, Mrs. Paul Frye, and Mr. Paul Armstrong.

Principal B. J. Frazer presented the members of the faculty. Superintendent A. H. Lancaster briefly discussed recent improvements and additions to equipment in the high school and plans for additional facilities to be made available to the students as soon as possible.

Mrs. Marion Thomas, County nurse, announced plans for the tuberculin tests to be given to high school students October 29. Mrs. Thomas urged that 100% of the senior and freshmen classes take the test, as well as any other students who desire to.

Miss Wilma McCune, guidance counselor, one of the new special teachers in the Dixon schools, presented a very interesting account of the work of her department. She explained the need for such an adviser in a school system and told how such an adviser functions.

Rev. Bliss Cartwright introduced Dr. Clara Johns, director of the Lee County Health department, who told of the work of this organization. She stressed the importance of continuing the department as a county project after this year, when state aid will be withdrawn.

Mrs. Hopkins expressed her appreciation to the committee of sophomore mothers, of which Mrs. Paul Frye is chairman, who planned the dinner.

The next meeting of the organization will be held in the high school auditorium on November 20, with a speaker from the university. Mrs. C. C. Clausen and a group of senior mothers are in charge of this meeting.

Dixon Talk of Hour Club Program Completed; First Talk November 8

The executive committee of the Dixon Talk of the Hour club have completed their work in selecting the program to be presented this year according to Ben T. Shaw, president of this organization.

The program for this season is one of diversified interest and presents the foremost in information and entertainment. The success of the committee in obtaining Col. Philip F. LaFollette, former governor of Wisconsin, as the speaker for December 10th is very gratifying. The other speakers on the program are outstanding in their particular fields and the program as a whole should prove to be the best yet presented by this club.

The program and dates are as follows:

November 8th, Major Paul Cyr, "The Adventures of an American Spy."

December 10th, Colonel Philip F. LaFollette, analyst and interpreter of world affairs.

January 22, Robert Kasmayer, author and news commentator, "Emerging Europe and What It Means to Us." Mr. Kasmayer is brought back to Dixon for a second year by popular request.

February 11, Hedley Hepworth, celebrated English actor, in character portrayals of the Dickens immortals.

March 11, Major Marvin Marston, Arctic explorer, with color motion pictures of the Arctic Circle to illustrate his talk.

Tickets for the series which will be presented at the Loveland Community House may be obtained from members of the executive committee: Ben T. Shaw, Col. John E. Earle, the Rev. J. C. Mason, E. W. Merrick, Mrs. J. R. Palmer, Miss Esther Barton, L. E. Sharpe, B. J. Frazer, Gene Goddard, Mrs. Magda Glatter, Miss Dorothy Klotz, Miss Alice Meppin, Mrs. J. W. Cadle, Mrs. J. R. McDaniel, Nate and Flo Kaiserman or at the Chamber of Commerce office.

For residents of Amboy, Ashton, Lee Center, Polo, Franklin Grove and Sterling there will be a representative of the club to whom subscriptions may be given.

Subscriptions for these tickets will close November 1st and it is anticipated that the full number available will be subscribed.

O. E. S. MEETING

Dorothy chapter No. 371, Order of the Eastern Star, will have a scramble supper tomorrow evening at the Masonic Temple at 6:30. Following will be a stated meeting and obituary services will also be given.

"Book Fair" Draws Large Audience to North Central PTA

A large and appreciative audience attended the "Book Fair" sponsored by the North Central Parent-Teachers association on Tuesday evening, in the school gymnasium.

Mrs. Ruth Tooze, owner of the "Book Fair" in Evanston, Ill., and widely known lecturere and authority on books, was the guest speaker. Mrs. Tooze brings her collection of books to Dixon each year and her entertaining lectures which are filled with information on the best reading material obtainable, are always well received. Her books cover a wide range of variety in subject matter that appeals to all readers. Her Christmas display this year and the books on adventure and foreign countries, attracted much attention. Mrs. Tooze stated that good reading creates good thinkers and does much to aid social adjustment and a better understanding of world conditions today.

During the business meeting, presided over by Mrs. Charles F. Johnston, Jr., P.T.A. president, plans for the annual bazaar to be held at the school on November 15th were discussed by Mrs. Lou Hansen, financial chairman. All parents who are making or donating items for the bazaar are urged to bring them to the school where the bazaar chairmen will collect them.

Refreshments were served at the close of the program by Mrs. John Tagge, hospitality chairman and her committee, Mrs. William Ferger, Mrs. H. C. Reeder, Mrs. Marion Pearson and Mrs. Gene Kishbaugh.

HIGH SCHOOL NOTES—The Duke varsity rushed through a long practice session last night in preparation for tomorrow's road clash with Hall Township of Spring Valley.

Instructional movies preceded the contact work. A new Crowthers charging machine has been purchased to aid blocking and tackling practice.

Coach L. E. Sharpe's freshman squad also got a workout. The freshies defeated Coach Clem Thompson's Amboy freshmen 2-0 in an informal practice match.

Short pickups . . . Assistant Football Coach Lee Davison, former DeKalb coaching staff member, blames injuries for the Barb's collapse . . . Jerrie Hannan, ace ball carrier, is out for the season after a thumb operation . . . Other key Barbs on the hospital list are Lyle Wisdom, Ray Weiherman and Bob Cochran . . . There will be no prelim tomorrow night at Spring Valley . . . The varsity battle gets under way at 8 p. m. . . . C. B. Lindell has been giving officiating a trial whirl . . . The ex-grid skipper is still troubled by an achin' back . . . Hank Henry and George Covert may also be seen in officials' togs at nearby games . . . The Dixon basketball campaign begins Nov. 27 . . . Frosh-Soph Coach Wally Coon, faced with tomorrow's open date, will hit the scouting trail.

NEW BALL LOOP—A meeting will be held in the LeClaire hotel at Moline Sunday to launch a new minor league.

The loop is to be named the Corn Belt league and will probably be admitted to O. B. as a Class D organization. Cities mentioned as probable members are Clinton, Burlington, Keokuk, Cedar Rapids, Dubuque and Muscatine in Iowa; Hannibal, Mo., Madison, Wis., and Freeport, Rockford, Bloomington, Rock Island and Moline in Illinois.

HUNTING DOPE—The regular coot, duck, brant, snow and blue goose hunting season opens throughout the state Oct. 26, running through Dec. 9.

Daily bag limit for coot is 25, with the possession limit also 25. Livingston E. Osborne, state director of conservation, has warned shooters that Canada geese, including Hutchins and Cackling geese, white-fronted geese, Ross geese, swan, woodcocks and jacksnipe are protected and must not be shot at any time. Osborne reveals a heavy flight of coot is expected in Lake and McHenry counties this week.

GRID MENU—Tomorrow night's NCIC schedule features Dixon against Hall at Spring Valley and Sterling's clash with Ottawa on the Buc field.

Other conference games are Rock Falls at Princeton and DeKalb at Geneseo. The loop's ninth member, Mendota, is host to DePue in a non-count contest.

Rochelle journeys to Amboy for a Rock River Valley conference tangle. Mt. Morris takes on Mt. Carroll while Oregon takes a night off from league play by meeting Hononegah at Rockton. Polo trimmed Pecatonica, 47-7, last night for their fourth win in five starts.

In the Big Eight, Elgin entertains West Rockford, LaSalle-Peru is at East Aurora, Freeport invades Joliet and unbeaten West Aurora and East Rockford collide in a headliner.

RIFLE CLUB—Lee Center has reorganized its rifle club. The outfit, inactive during the war years, rolled up 16 seasons of business prior to 1942.

A practice shoot will be held Oct. 22 at the range on Main street in Lee Center. Present plans call for shoots each Tuesday night.

John Brasel is the president of the sportsmen. Frank Stebbins is range officer and Vernon Schnell, secretary-treasurer.

HOCKEY OPENER ATTRACTS RECORD ST. LOUIS CROWD

St. Louis, Oct. 17—(AP)—The largest crowd ever to witness an American league hockey game, 14,518, saw the St. Louis Flyers open the 1946-47 season at the arena last night by losing to the Cleveland Barons, 6 to 2.

Ford Frick Sick of AL 'Star' Wins

New York, Oct. 17.—(AP)—Ford Frick, president of the National baseball league, is "tired" of the lickings the National leaguers have been absorbing from the American leaguers in the annual All-Star game.

Hard on the heels of the St. Louis Cardinals' 4 to 3 victory over the favored Boston Red Sox in the deciding game of the world series, Frick went into a huddle with Sam Breadon, owner of the Cards.

"Let's either play the All-Star game to win, or drop it entirely," Frick declared. "Here is your club, which had to go through a playoff to win in our league, outplaying a team that ran away and hid from the rest of the American league. Yet ever since midseason they've been talking like we didn't belong in the same class with them. I'm tired of taking it."

Frick's pleas got him nowhere. Breadon insisted that the "world series" is the big thing."

"That's the one we want to win," the Cards' owner explained. "The close races we have in our league, we can't afford to take a chance and let one of our good pitchers work in the All-Star game when it might cost us a regular-season game. The American league now, has these loose races and they can throw all their top pitchers against us in the All-Star game. Let 'em have their fun. I'd rather win the series every time."

Breadon politely changed the subject after Frick finished pointing out that the American leaguers' easy victory in the All-Star game at Boston in July probably hurt the National league at the box office and that managers should be able to rotate their hurlers before the All-Star contest without lessening their value to their club.

You remember, the outfit was supposed to continue its 20-game winning streak this season, but instead was tied by Arkansas 21-21, trounced by mighty Texas 54-6, kicked by Southern Methodist 15-6, and has a very tough date with the Georgia Bulldogs at Athens Saturday.

An inexplicable number of injuries in the backfield is the main reason, Coach Jim Lookabaugh answers, but he isn't trying to make any excuses for the 1946 Sugar Bowl champions.

"Our team at the start of the season was better than last year's club", Lookabaugh said, "but it's just like having a shiny, new 16-cylinder car. Take out 14 of those cylinders and try to run up a mountain and what happens?"

Of the 17 backfield men Lookabaugh counted on this season, 16 have suffered some type of injury.

The injury of Bob Fenimore, two-time All-America back, hurt the worst. But during the S. M. U. game last week four tailbacks and six halfbacks were on the bench with injuries.

Fenimore, who led the nation in offensive yards gained the past two years despite a leg injury, got his other leg hurt in the Arkansas game three weeks ago.

With the injury apparently healing, Fenimore started against Texas the following week and made the Aggies' only touchdown—the only time the Texans were scored on in their first three games of the season. Fenimore's thigh was hurt again in the Texas game, and he sat out the SMU contest except for a second's play when h went in to try for a point after touchdown.

Spartan Fans Ask Bachman's Scalp

East Lansing, Mich., Oct. 17.—(AP)—Michigan State's football team geared today for its battle with Penn State Saturday while campus petitions for Coach Charley Bachman's removal were treated to an official cold shoulder.

The source of the petitions was undisclosed, but they were believed to come from an undergraduate group complaining over the Spartans' defeats by Boston College and Mississippi State in their last two games.

Dr. John A. Hannah, MSC president, dismissed references to the petitions with the remark: "Any such petitions brought to my attention during football season will receive no consideration."

Coach Bachman, veteran tutor of the Spartan gridders, repeated his earlier expressed confidence in "the best material I've ever had."

More than 30,000,000 acres of U.S. forest land are burned annually.

Lou Little Hopes for Army Upset

New York, Oct. 17—(AP)—The football followers—who insist that Army can't stay up there indefinitely—look to Columbia this week to succeed at a task at which 22 previous underdogs have failed.

Oklahoma, Cornell and Michigan have tried their hand at this business of knocking the cadets off their football pedestal and there is little hope for Columbia in achieving gridiron immortality by being the upsetter.

But the longshot players will go on hoping—with Duke, West Virginia, Notre Dame, Penn and Navy their choices each successive week to keep a third straight national championship away from the banks of the Hudson.

Lou Little isn't predicting any victory for his Lions, but he says with deep conviction "We're going to try to win and we're going to play to win."

And lest the Lions assume they are lightly held in their game at West Point Saturday, Army Coach Earl (Red) Blaik emphasizes "Army has a wholesome respect for Columbia." Columbia's comeback triumphs over Navy and Yale make Blaik's job of selling that viewpoint to his men, too.

NO MONOPOLY

Fifty-seven different colleges have participated in 67 bowl contests since the first Rose Bowl game in 1902.

NFL Leading Ward Loop at the Gate

New York, Oct. 17.—(AP)—The National Football league leads the All-America conference in average attendance in the knock-down-drag-out battle of the gate receipts but both professional circuits assert business is good and promises to get better.

In the first 16 games of the regular season, the ten teams of the established National league have played before a total of 506,358 fans—an average of 31,647 per game.

The eight teams of the new All-America conference, having played 23 games on their initial championship schedule, have appeared before 648,861 fans—an average of 28,211 per game.

Officials of the National league point out their attendance to date is 47.2 per cent above the first 16 games of 1945, a year which wound up as the best in the loop from the standpoint of drawing power if not from the standard of play.

All-America conference heads, on the other hand, hold up the fact that their opener at Cleveland drew a crowd of 60,135, largest throng ever to see a regularly scheduled professional football game, and at least two other games topped the 50,000 mark, which the rival loop has not yet attained this year.

The National leaguers aren't willing to concede that the increase is due in any part to a stimulus born of a rivalry existing for the first time.

"It simply is the national trend in sports, plus the natural growth of the game," said a National league spokesman.

GIRLS SCHOOL NIXES GRID TEAM FOR EX-GI MALES

Poughkeepsie, N. Y., Oct. 17—(AP)—There will be no football at Vassar college, and the 90 veterans enrolled here under the GI Bill of Rights will have to ignore the challenge flung at them by the male students of Vassar's sister institution, Skidmore.

"The college feels it must say no to football at Vassar", declared Dr. Sarah Gibson Blanding yesterday in a sattement which pointed out that the school "has never encouraged intercollegiate athletics of any kind".

Vassar admitted male students this year for the first time in its 71-year history. Dr. Blanding said the school had asked the veterans to restrict their athletic activities to sports for which the college has facilities. Intramural competition will be sanctioned.

North Carolina State College has a course in insurance.

C. E. BUTTERFIELD

(Central Standard Time)

New York, Oct. 17—(AP)—Opening ceremonies of the United Nations general assembly at Lake Success, N. Y., are to be sent out by network next Wednesday afternoon. So far ABC has scheduled a 45-minute broadcast. Other chains are expected to participate, but plans still are in formulation.

NBC is arranging a series of "United Nations Week" presentations to start Sunday. Among them is to be a Sunday afternoon half-hour in which Dean Acheson, acting secretary of state, and others are to speak.

Topics tonight (Thursday): NBC—6:30 Dennis Day's day; 7 Henry Aldrich; 7:30 Burns and Allen; 8:30 Jack Haley comedy; 9:30 Eddie Cantor and Mickey Rooney.

CBS—7 Edward G. Robinson in Suspense 7:30 FBI in Peace and War; 8 Dick Haymes show; 9 Magazine theater, Wm. Powell; 9:30 That's Finnegan.

ABC—6:30 Prof. Quiz; 7:30 Town Meeting "Is American Press Really Free?" 8:30 Take it From There, Stunts.

MBS—7 Sound Off With Warnow; 8:30 By Popular Demand; 9:15 Scout About Town, Broadway Talent.

Friday programs: NBC—8 a. m. Honeymoon in N. Y.; 11 a. m. Words and Music; 4:30 p. m. Just Plain Bill; 8 People Are Funny; 10:30 Tales of Foreign Service.. CBS—10 a. m. Arthur Godfrey; 2:30 p. m. Rice Festival at Crowley, La.; 5:30 Red Barber on Sports; 7:30 The Thin Man; 9:30 Ann Sothern's Maisie .. ABC — 10:45 a. m. Ted Malone; 1:30 p. m. Bride and Groom; 5 Walter Kiernan Corner; 6:30 Lone Ranger; 8:30 The Sheriff ..MBS—9:30 a. m. Say It With Music; 12:45 p. m. John J. Anthony Advice; 2:30 Award to American Railroads; 6:45 Bill Brandt Sport; 9 Spotlight on America.

Plain Thievery

Peekskill, N. Y.—(AP)—Town officials here are being troubled by a new type of vandalism.

William E. Foster, acting superintendent of the water bureau, disclosed that 12 fire hydrant caps—which authorities say are of little or no use for any other purpose—have been stolen.

Leadership Training Class in First Meeting

The first meeting of the Leadership Training course under the auspices of the Dixon Council of Christian Education was held at the Methodist church Monday evening, with an attendance of 78, including people from the surrounding towns of Amboy, Ashton, and Franklin Grove.

The committee would like to call attention to the special course on Church and Family Relations. Persons not directly connected with the teaching staffs of church schools, but who are interested in this vital subject which is upon the minds of all Christians, are invited to attend.

Anyone interested in registering for the remainder of the court, will please contact their pastor or the chairman, Rev. B. B. Cartwright.

Be on the lookout for fire hazards in the farm woodland. Fire destroys young trees and seedlings and kills the bark on the larger trees.

Torso Murderer Will Be Hanged in Canada

Hamilton, Ont., Oct. 17.—(AP)—Mrs. Evelyn McLean Dick, 26, was under sentence today to die on the gallows next Jan. 7 for the so murder of her husband, who had threatened to divorce her. She plans to appeal.

Justice F. H. Barlow of the Ontario Supreme court ignored a recommendation for mercy in sentencing the pretty, brunette house wife to hang. The body of her husband, John Dick, 40, was found on Hamilton mountain last March, with head and limbs missing.

Compton Woman's Club

The Compton Woman's club met on Monday evening, October 14 at the Compton school gymnasium at 7.45. The meeting opened with singing th "Star Spangled Banner" followed by the pledge to the flag Mrs Lulu Richardson read the collect Mrs Marie Larson gave a very interesting report on the 13th district board meeting which was held at Savanna on Sept. 26. Mrs. Helen Beemer, the membership chairman then introduced one new member, Mrs. Florence Mireley.

The War Service and Post War planning chairman, Mrs. Maxine Gilmore had charge of the meeting. Rita Torri, Joyce Carnahan, and Gary Gilmore entertained the club with a song and dance. Mrs. Miller, the county health nurse of Dixon, spoke on public health. Home accidents are one of our biggest hazards. She stressed the importance of immunization of Pre-school children. In rheumatic fever the diet is very important. The county nurses go into the homes and work under doctor's orders They teach the parents, or the person who is taking care of the patient This teaching takes lots of planning and patience on the part of the nurse. It is very important fo. the school age group of children to have physical and dental examinations every four years. The county health board has worked out a sanitation program and a communicable disease program Everyone should read for 5 10 or 15 minutes every day for their own general health At the close of the meeting Mrs. Miller passed out leaflets on rheumatic fever Mr. Pearson of Dixon then showed the movie "Observation by the Teacher of School Children" The meeting closed with singing "The End of the Day" Hostesses were Laura Beemer, Cora Beemer, Florence Gilmore Florence Bush, Kate Rhoads and Anna Miller.

Mr. and Mrs Robert Campbell of Chicago were callers in Compton Monday

Mr and Mrs Nels Holmquist Mr. and Mrs. Harold Johnson Mrs. Mildred Olson visited Friday evening at the Angell and Stout home

Mr and Mrs Roland Richardson and son Hugh Miss Joan Fuller Mr. and Mrs Ralph Kettley and Delos were Sunday dinner guests at the home of Mr and Mrs. Robert Glendenning and son Ronny at Genoa.

A scramble dinner and miscellaneous shower was given on Sunday at the Masonic hall in Compton in honor of Mr and Mrs Eugene Bains, the former Lavilla Mae Swope, who were recently married A large beautiful three tiered wedding cake was the center piece on the bridal party s table which was served with ice cream to about 125 relatives and friends Mr. and Mrs. Bains received many beautiful gifts. There was a short program after which the newlyweds opened their gifts They all departed wishing the newly-weds many years of happy life.

Repair Job

Chicago—(AP)—An unidentified customer at Eddie "Porky" Goldstein's south side restaurant offered to fix a radio which began emitting static shortly after he sat down to eat.

He stopped the noise and suggested a $1 fee which "Porky" paid.

An hour later as Goldstein visited with the owner of a nearby cafe the radio appeared to go wild and the same man who had fixed "Porky's" radio offered to repair the machine. When he saw Goldstein he made a break for the door.

But 'Porky' caught him He discovered the man carried a small gadget which he said was capable of putting radios Berserk

"Porky" got back his $4 and gave the fixer a new job to mend—a black eye.

Gridiron Queen

Miss Lois Wissing, senior of Oregon Community high school was chosen as gridiron queen at the homecoming football game, Oregon vs. Polo. At the half-time in the game a car arrived at the gate surrounded by twenty-one girls in red and white members of the Pep club in which was the long awaited queen. The car was driven on the field and stopped in front of the grandstand as Joan Kelley, president of the Pep club, made the following announcement. "We present our 1946 gridiron queen, Lois Wissing, a dance will follow the game when the queen will be crowned."

During the fifth dance Robert Wachlin, captain of the ball team, escorted Lois attractive in a white formal and red cape, to the throne and placed the crown on her head

The first dance following the crowning went to Lois and Bob exclusively

Rally Day

Rally Day was held at East Oregon chapel Sunday with an attendance of 101 There are seven teachers in the Sunday school and Gordon Landry, a student at Oregon Bible college, is the superintendent. Three have been twelve baptisms the past six months, eleven of them were of teen-age

All who are not affiliated with another church are invited to come to the Little (White) Church in the Vale and hear the old-time gospel preached in good old-fashioned way Come and hear the children sing' A basement is in the process of construction and soon the little White Chapel will be placed over it.

Mr. and Mrs. John Read were in Dubuque, Iowa, Saturday and visited friends.

Mr. and Mrs. Thomas Leddy, Sr., returned Monday from a week's vacation trip to Rapid City, S. Dak., where they visited Mrs. Leddy's brother, John Burr, and family, their first meeting in sixteen years. While in Rapid City there was a two and a half inch snowfall there.

No Fare

Chicago—(AP)—Street car service on South State street was halted temporarily by a passenger who had been ejected for refusing to pay his fare.

Conductor Maurice O'Connor said after he put off Willie Jones, 30, he sat on a safety island, his feet stretched across the tracks, and refused to move.

But a police squad took Jones for a free ride to Central station, where he was charged with disorderly conduct.

Better'n Foxhole

New York—(AP)—The independent Veterans committee for Robert H. Thayer a Republican in the 14th congressional district, Brooklyn, will open its headquarters tonight —in a tent.

Committee Chairman Morton B Lawrence said:

"It is no secret there is not a store or a flat available in the district".

Thayer is assistant commissioner of the New York state division of housing.

Czechs Surprised by End of Talks on Loan

London, Oct. 17.—(AP)—Czech sources in London expressed surprise today that America had suspended negotiations for a $50,000,000 export-import bank credit to Czechoslovakia at the moment Foreign Minister Jan Masaryk and Ambassador Buraj Slavik were on their way to Washington.

"A legation spokesman said: "Surely the state department could have waited to give a personal explanation and to hear an answer to whatever charges there are against Czechoslavakia."

"This one I call 'Complete Contentment'—symbol of all the folks who voted Quaker Oats America's Best-Tasting Cereal!"

Yes, Americans just voted one cereal best-tasting! In an independent national breakfast survey to find America's favorite for flavor, more people named Quaker Oats, than named any other cereal, hot or cold! It's nut-tasty, delicious!

And Quaker Oats helps you fight fatigue, helps the youngsters grow!

Real authorities agree not one other natural cereal equals hot, whole-grain oatmeal in four great key elements—Protein, Food-Iron, Food-Energy, Vitamin B1!

Get the double advantage of famous flavor, famous benefits, *every* day! Quick Quaker Oats cooks fast as coffee.
